#### **The Covid-19 road to outsourcing**

Best Execution - 03 Aug 2020

Handing over the trading desk looks more attractive in the post coronavirus world, but many firms are waiting before they sign on the dotted line.

#### **ON THE MOVE: CAPIS Promotes Choate; Cowen Adds Genovese**

Traders Magazine - 03 Aug 2020

...CAPIS. This move comes at an exciting time for the industry, as outsourced trading, MiFID II, enhanced 606 reporting and general transparency are top-of-mind for market participants.

#### **HKMA publishes white paper on green and sustainable banking**

Norton Rose Fulbright - 05 Aug 2020

...their assets (including lending portfolios and proprietary investments) and operations (including any outsourcing arrangements). If necessary, AIs should then develop concrete plans to enhance...

#### **Why Hedge Fund Technology Vendors Need A SOC Report**

AlphaWeek - 05 Aug 2020

... Outsourcing is now a key competitive differentiator for many asset managers, not just hedge funds. Forty-five per cent of the fund managers interviewed recently by Deloitte said they were in the process of implementing outsourcing activities with another 14% planning...

#### **Outsourced Trader Growing Rapidly**

Hedge Fund Alert | 05 Aug 2020

Outsourced-trading shop Outset Global has notably increased its footprint in the past year, boosting its employee count, adding to its roster of fund manager clients and opening an outpost in Hong Kong.

#### **Corporate pension funding drops in July – 2 reports**

Pensions and Investments - 04 Aug 2020

Funding ratios for corporate pension plans fell slightly in July as market returns could not keep pace with an increase in liabilities, according to reports from Northern Trust Asset Management and Mercer.

#### **Options for securing audit rights in financial services sub-outsourcing**

Pinsent Masons - 05 Aug 2020

Securing the contractual rights of audit and access mandated in regulatory guidelines is a stiff but not insurmountable challenge for banks when they outsource ...
