#### **Archer Named Best Outsourcing Provider**

Archer – 06 Nov 2020

...Archer®, the tech-enabled outsourcing services provider to the asset management industry, has been named Best Outsourcing Provider to the Buy Side in the 2020 WatersTechnology Buy-Side Technology Awards.

#### **Outsourced trading has sparked fierce debate in recent years.**

... Buy-side traders believe their front-office execution team can still give asset managers a competitive edge, while others believe a third-party can either supplement or replace the trading entirely, for the better of the business ...

#### **Outsourcing: Out and outsourcing**

WaveAsset managers are contemplating a new outsourcing model where everything, front to back office, is on the table. Nicholas Pratt looks at the implications.

#### **State Street exec touts Charles River success in transition to outsourced trading hub**

...Two years from its acquisition of financial services provider Charles River Systems, Boston-based State Street is relying on the platform for new client growth after a disappointing third quarter amid the continued COVID-19 pandemic ...

#### **FX Trading Q&A: Vikas Srivastava, Integral, and Michael DuCharme, Mesirow Financial**

#### **Outsourcing and ESG – the grass may well be ‘greener’**

... With the continued rise of conscientious clients there’s now another key reason to consider outsourcing – and it’s green all over ...
